FUNDRAISER LETTER: Ongoing (we will email you a copy you can print out as well)

Attached is a letter that your child can use to send to family, friends, teachers, etc. that might be interested in helping contribute to their Young Life Camp costs. Please feel free to use it and see if this can help with the cost of camp.

A couple of things to note about this:

- Unfortunately, a gift to your child for camp is not tax deductible. It's considered a payment because it is being designated to a specific camper.
- Have people send checks directly to you. Then you can send them all together to us so that we make sure everything is credited correctly (mailing address below).
- Someone can also give online by visiting mountaineerarea.younglife.org, clicking on the correct camp trip, and selecting the “pay for camp button”. They will just need to identify who the gift is for.

41 & CHANGE COFFEE: Ongoing
